JCF REAL ESTATE COMPLETES LEASE TO FRESENIUS DIALYSIS CENTER

(Schaumburg, Ill.) – JCF Real Estate is pleased to announce that the firm’s Vice President of Brokerage, Steve Chrastka has completed a building lease renewal in Olympia Fields, Illinois.

The lease was signed for the medical office property at 2609 W. Lincoln Highway by Fresenius Dialysis Center. Chrastka represented ownership in the 12,000 square foot lease negotiations and the tenant was represented by Cresa Partners.

Fresenius Medical Care North America is a major provider of kidney dialysis services and renal care products. The firm provides products, dialysis care services, education and support for Chronic Kidney Disease (CKD), including treatment options for later stage CKD. Dialysis care services provided by Fresenius include hemodialysis, peritoneal dialysis, education tools and transplant support services, in-center, at home, or in a hospital. The firm also manufactures and distributes a variety of dialysis products and equipment, including dialysis machines, dialyzers and other dialysis-related supplies.
