**JCF REAL ESTATE ANNOUNCES NEW TENANT AT ITS INTERPARK
CORPORATE CENTER**

Regina Webster & Associates Signs Long-Term 7,000 Square Foot Lease

(SCHAUMBURG, IL) – Full-service real estate firm JCF Real Estate announced today that Regina Webster & Associates has signed a new 7,000 square foot long-term lease at the firm’s Interpark Corporate Center located at 8601 - 8623 W. Bryn Mawr Avenue in Chicago.

The professional engineering services firm selected to relocate to the office complex from its prior location on Chicago’s Northwest side due to the office park’s strategic location in close proximity to the expressway system and its employees. The firm also chose Interpark due to its immediate availability of space as well as the tenant-favorable conditions within the O’Hare office submarket.

“Interpark Corporate Center has long been a top choice for companies looking for high-quality office space within an amenity-friendly business park in one of the most strategic locations in the Chicago metro area,” said Steve Chrastka, Vice President of Leasing at JCF Real Estate, who led the transaction. “Regina Webster & Associates will now have a cost-effective real estate solution that will help foster its long-term growth strategy and employee retention.”

Acquired by JCF Real Estate in 2001, Interpark Corporate Center is a 164,000 square foot single-story office park near O’Hare International Airport. The property consists of twelve buildings on approximately eight acres of land that is surrounded by high-rise office and multi-family developments.
